A TROLL LEARNING CENTER

Troll Parts of Speech micro-software is an excellent way to introduce students to the parts of speech.

In **FUN WITH VERBS,** students visit the Troll Parts of Speech Network, where engaging newsroom and game show activities help them understand action verbs, subject/verb agreement, linking verbs, helping verbs, verb tenses, and regular and irregular verbs.

THIS LEARNING CENTER CONTAINS:

- a MICRO-SOFTWARE program disk
- a User's Guide
